THIS WEEKEND

Share Appeal Sunday

This Sunday is Share Appeal Sunday, an opportunity for everyone in our parish to support the important work of the Church throughout the Archdiocese of Dublin.

The Share collection helps provide financial support for parishes and communities, particularly those facing greater challenges. It contributes towards the training and formation of priests, the education and preparation of lay people for ministry, pastoral programmes, youth ministry, safeguarding, and the many services that help the Church reach out to people in need. It also assists parishes with fewer resources, ensuring that the work of the Church can continue in every community.

The Church is more than our own parish. We are part of a much wider family, and Share reminds us that we have a responsibility to support one another. Some parishes have greater resources than others, but all share in the mission of bringing Christ's love and message to the world.

This week, parishioners are invited to consider giving a little more generously to the Share collection. Even a small increase in our usual contribution can make a real difference when it is added to the gifts of others. Your generosity helps sustain the life and mission of the Church across the Archdiocese. Thank you for your continued support.
